

# Freeman Memories

Want a great way to remember all of your fun times at Freeman High School? Are you a Freeman Rebels fan? Did you march in half-time shows? Work at the school for years? Order a "Douglas Freeman Memories Pillow" to remind you of all things Rebels!

These unique pillows are made from the band uniforms that have been used for the last 13 years. The front of the pillow is made from a jacket and includes our distinctive "DSF" logo. The back is made from uniform pants.

The sale of these memory pillows will help fund the cost of new marching band and color guard uniforms that have been ordered and will be unveiled this fall. The cost is only \$40 per pillow and checks should be made payable to "DSF Band Boosters". Your pillow will be made upon receipt of payment. After the pillow is completed, you will be contacted about delivery.

Each pillow will be made to the size that the jacket allows. There are a limited number of pillows available, so place your order early before they sell out. We hope to see you this fall at a football game so that you can see the new uniforms!
